### About Hua Chang Heritage Hotel

---

Hua Chang Heritage brings a new style of boutique luxury to downtown Bangkok. The seven-story location comprises 80 guest rooms, all-day dining restaurant, business/function space, library, cocktail lounge and free-form swimming pool surrounded by tropical gardens. All guest rooms contain advanced entertainment technologies and custom-designed bathroom with automated toilet system. Additional amenities include complimentary Wi-Fi access throughout the hotel and 24-hour personal butler service. With easy access to adjacent BTS skytrain system between National Stadium and Ratchathewi stations, the hotel stands within easy walking distance of Bangkok Art & Culture Centre and historic Jim Thompson House. Also short walks away are major shopping and entertainment centers including Siam Paragon, Central World, MBK and Siam Square.
